Dear Parents / Carers

I would like to express my gratitude to the pupils, staff and you as parents for your cooperation and support during this busy term which ends today. It was a pleasure to see the pupils' dedication and enthusiasm for their work and activities and many successes were celebrated during the term. One of the highlights of the term has been the opportunity to participate in the school eisteddfod in the primary and secondary departments along with numerous successes in the Urdd Eisteddfod. Best wishes to all the pupils who will compete in the eisteddfod in Llandovery during the Whitsun holidays. As is usual, all school activities can be viewed on our Twitter and Instagram accounts, so please take a look at them to see all that's happening in school on a daily basis.

Many thanks to all the parents who completed the questionnaire in February. The results are very positive and we appreciate the comments and suggestions that have been noted on the questionnaires. We will consider the suggestions and adapt where appropriate. Thanks also to the parents who have helped us with curricular elements in the primary department. We always appreciate any input you have into our themes. It has been very pleasing to welcome many of you to the school during the term for various open evenings and presentations. Thank you for attending.

During the term, three members of teaching staff were appointed to the school. They will start their posts in September 2023: Mr Gary Jones (Subject Leader Digital Technologies and Computer Science) Miss Rachel Williams (Drama) and Mrs Lowri Guy (Subject Leader Music and Performing Arts) Best wishes to Miss Bethany Randall who will be leaving us at the end of this term and moving to Ysgol Gyfun Bro Edern in Cardiff.

Pupils in Barcud and Gwennol classes are looking forward I'm sure to their residential course in Llangrannog after Easter and during the same week almost 80 pupils from years 8 and 9 will be participating in a visit to Normandy with the Department of International Languages . 60 of the school's older pupils are currently on a ski trip to Austria. They will spend the first week of the holidays in Zauchensee and apparently there is good snow! Thank you to all the teachers who give of their time to organize these trips and who offer the experiences to the pupils.

Our new *Ti a Fi* group started at the beginning of March. If you know someone with a baby or pre-Nursery age child who would like to join the small group that meets weekly every Monday morning, please share the school email with them post@llanhari.com

Finally, I would like to wish all the pupils in years 10-13 who will be revising for external exams over the coming weeks, well. They have worked conscientiously on coursework and assessments throughout the year and this is the "final lap". I encourage them to reflect on all the revision techniques which have been presented to them and use them when preparing for the exams. Good luck to everyone!

Best wishes and Happy Easter!

Meinir Thomas
